

INDIAN SOCIETY OF HORTICULTURAL RESEARCH & DEVELOPMENT (ISHRD)

Uttarakhand, India

Citation

Dr Om Prakash Awasthi

is conferred with

Fellow of Indian Society of Horticultural Research & Development
of the year 2014

in recognition of his contributions in the field of Horticulture

Dr Om Prakash Awasthi has made outstanding contributions in horticultural research, teaching and extension. He has made significant research and technological contributions in the field of fruit and plantation crops like mango, aonla, ber, coconut and cashewnut. During his initial carrier, Dr Awasthi, established coconut and cashewnut trials under AICRP which paved the path for future research in these crops in tribal area of Bastar. He has been associated with the release of 02 varieties in ber and citrus and one each in cashewnut and sweet potato. He has done an outstanding work on different fruit based diversified cropping system and developed economically sustainable cropping models which could meet the diverse need of the farmers for fragile ecosystem and tribal areas of Bastar.

Indian Society of Horticultural Research & Development, Uttarakhand is pleased to confer ISHRD fellowship on Dr Om Prakash Awasthi during its Golden Jubilee Celebration, "Progressive Horticulture Conclave" held at Lucknow on 08-10 December, 2019.
