

INDIAN SOCIETY OF HORTICULTURAL RESEARCH & DEVELOPMENT (ISHRD)

Uttarakhand, India

Citation

Dr Somkumar Ramhari Gulabrao

is conferred with

Fellow of Indian Society of Horticultural Research & Development
of the year 2016

in recognition of his contributions in the field of Horticulture

Dr Somkumar Ramhari Gulabrao has made outstanding contributions in horticultural research and extension. He has screened onion germplasm for resistance to basal rot. He was involved in breeding of leguminous crops and has released 08 varieties. He has standardized agro-techniques for grape cultivation under tropical condition which has helped grape growers to improve their quality thereby increasing proportion of grape export. He is currently managing grape germplasm and developed variety for juice (Manjari Medika) and raisin (Manjari Kishmish) which has been accepted by the grape industry.

Indian Society of Horticultural Research & Development, Uttarakhand is pleased to confer ISHRD fellowship on Dr Somkumar Ramhari Gulabrao during its Golden Jubilee Celebration, "Progressive Horticulture Conclave" held at Lucknow on 08-10 December, 2019.
