

INDIAN SOCIETY OF HORTICULTURAL RESEARCH & DEVELOPMENT (ISHRD)

Uttarakhand, India

Citation

Dr Sanjeev Kumar

is conferred with

Fellow of Indian Society of Horticultural Research & Development
of the year 2015

in recognition of his contributions in the field of Horticulture

Dr Sanjeev Kumar has made outstanding contributions in horticultural research, teaching and extension. He conducted research on harvesting, handling, transportation, grading, storage and processing aspects of aonla and jackfruit. He is involved in coordination, appraisal, review, implementation and monitoring of research programmes on specific problems of horticulture including production, post harvest management and value addition and helped in creation of infrastructural facilities for the establishment of Model Nurseries, Disease Forecasting Unit, Seed Processing Unit, Plant Health Clinics, Leaf Tissue Analysis Labs, Bio Control Labs, Tissue Culture Labs, Mushroom Spawn Labs under Horticulture Mission in State Agricultural Universities, Central and other Universities, ICAR, CSIR and other organizations situated in U.P. He has four books to his credit.

Indian Society of Horticultural Research & Development, Uttarakhand is pleased to confer ISHRD fellowship on Dr Sanjeev Kumar during its Golden Jubilee Celebration, "Progressive Horticulture Conclave" held at Lucknow on 08-10 December, 2019.
