

INDIAN SOCIETY OF HORTICULTURAL RESEARCH & DEVELOPMENT (ISHRD)

Uttarakhand, India

Citation

Dr Tribhuvan Chaubey

is conferred with

Fellow of Indian Society of Horticultural Research & Development
for the year 2017

in recognition of his contributions in the field of Horticulture

Dr Tribhuvan Chaubey has made outstanding contributions in horticultural research and extension. He has more than 26 years working experience in vegetable research and development and has developed 15 vegetable varieties/hybrids (04 of Sponge Gourd, 03 of Bottle Gourd, 02 of Tomato, 01 each of Ridge gourd, Pointed Gourd, Bitter Gourd, Cucumber, Long melon & Pumpkin), of which 05 varieties/hybrids released for cultivation at National level and 10 at U.P. state level. Dr Chaubey is in-charge of production of breeder seeds at national level through AICRP-VC centres. He is also involved in project of DUS Testing of vegetable crops, a Central Sector Scheme of PPV&FRA, New Delhi for protection of IPR issues of candidate varieties.

Indian Society of Horticultural Research & Development, Uttarakhand is pleased to confer ISHRD fellowship on Dr Tribhuvan Chaubey during its Golden Jubilee Celebration, "Progressive Horticulture Conclave" held at Lucknow on 08-10 December, 2019.
