PROGRESSIVE HORTICULTURE

Vol. 58, No. 1, June, 2026

CONTENTS

- Improvement of tuberose (*Agave amica* Medik) through induced mutation breeding- Krishan Pal Singh 03
- Morphological variations and co-relationships in seabuckthorn (*Hippophae salicifolia*) populations growing in cold desert Himalayas- Virendra Singh, Manohar Lal, Reena Devi and R.K. Rana 26
- Impact of organic nutrient management modules on growth, yield, fruit quality, and soil biochemical dynamics in Kinnow Mandarin (*Citrus reticulata* Blanco)- Ravi Kumar Meena, Kuldeep Singh Rajawat, Rashid Khan 46
- Enhancing seed germination and seedling growth through bio-priming techniques in papaya (*Carica papaya* L.)- Pranath Barman, Nabin Kumar Das and Arup Mandal 52
- Effect of pre-sowing seed treatments on germination behaviour and initial seedling growth of guava (*Psidium guajava* L.) cv. Allahabad Safeda under agro climatic conditions of central Uttar Pradesh- Garvita Jaiswal and Shivanand Pandey 59
- Comparative growth dynamics of *Grewia optiva* and *Morus alba* in agroforestry farming systems of Doon Valley of Uttarakhand- Mayank Raj, Charan Singh and Charan Singh 67
- Evaluation of indigenous organic growing media for quality and cost-effective seedling production of cucumber (*Cucumis sativus* L.) under naturally ventilated polyhouse- Raj Narayan, Sovan Debnath, Arun Kishor and Santosh Kumar 85
- Residue- free production of red cabbage (*Brassica oleracea* var *capitata* f. *rubra* L.) for export market- Vandana Pandey, Vikas Yadav Patade, Harish Pandey, Umesh Singh and Devakanta Pahad Singh 93
- L-methionine as a potential chemical elicitor against anthracnose of Chilli- *in vitro* and *in vivo* postharvest analysis- Rekha G.V., Srivignesh S., Pravin I.A., Ramesh Kumar A. and Rama Krishna K. 100
- Induction and isolation of mutants in Tuberose (*Agave amica* L.)- Laxmi Kandari and Ranjan K. Srivastava 109
- Assessing the impact of salt stress on *Dianthus chinensis*: A comprehensive analysis of morphological, physiological, and biochemical responses- Aishwarya, R.K. Dubey, Madhu Bala, Simrat Singh, Kritika Pant and Uma Patel 114
- Optimizing the growing media for hardening of *in vitro* raised plantlets of orchid (*Dendrobium* spp.)- Shailesh Chaudhary, Alka Singh, Ajay V. Narwade, H.P. Shah and A.K. Pandey 118
- Integrated organic fertility improves growth, flowering and profitability of African marigold (*Tagetes erecta* L.) under open field conditions- Simran Nagar, Manish Kumar, Mahaveer Suman, Gunjeet Kaur and Priyanka Thakur 75
